HOME BUSINESS TAX RECEIPT APPLICATION

SECTION 12-34 (N)-DEFINITION:

Home Business Tax Receipt shall mean any use conducted entirely within a dwelling and carried on by persons residing in the dwelling unit, which is clearly incidental and secondary to the use of the dwelling for residential purposes and does not change the character thereof and in connection with which there is no display or stock in trade. The Home Business Tax Receipt shall involve phone and mail use only and shall not involve the use of any accessory building or yard space or activity outside of the main building not normally associated with residential use.

SECTION 13-23 - LOCATION OF BUSINESS TAX RECEIPT; ZONING REGULATION

(a) Each application for the Business Tax Receipt shall definitely state and set out the exact location at which business shall be operated. Before issuance of a Business Tax Receipt, verification of applicable zoning will be made. If the applicable zoning regulations do not permit the practice of such business, occupation or profession, the Business Tax Receipt will be denied. All Business Tax Receipts granted by council action by special exception, variance or by vested rights for nonconforming use, shall be so stated on the face of the license.

(b) Notwithstanding any provision to the contrary herein contained, certain businesses, professions or occupations may be conducted within a residentially zoned area (not to include R-1 or A-1, which require council approval) on a restricted basis for which a restricted Business Tax Receipt may be issued by the town. The owner of such business will secure a restricted Business Tax Receipt from the town subject to the provisions and limitations contained herein.

(c) Any person engaged in a personal profession or occupation which requires the use of his own personal residence may apply for a restricted Business Tax Receipt. Such application may list his home address as the place of business for the purpose of complying with the following conditions.

(1) No sign of any type may be posted or displayed on the premises which might serve to indicate that the premises are being used as a restricted home business use, except as required in accordance with all governmental bodies. No vehicles with any signs painted on them, which might serve to indicate that the premises are being used for restricted Business Tax Receipt use, shall be parked within the view of public right-of-way.

(2) The applicant shall not use the premises or any improvements thereon for the creation, storage, distribution, repair or sale of any of any merchandise or goods which would be visible from any location off the premises.

(3) No noise, odors, smoke or nuisance of any type shall arise from the conduct of the business here permitted or authorized.

(4) The applicant shall not cause or permit in connection with the business authorized herein any traffic that shall interfere or disrupt the flow for street use in the neighborhood.

(5) Any restricted Business Tax Receipt issued pursuant hereto may be revoked by the town council at any time upon notice and hearing for the violation of any provisions herein contained or for the violation of any ordinance of the town or law of the state pertaining to regulating or tax such business or for any other good and sufficient reason; provided, however, that this provision shall not effect the power of the court to revoke certain tax receipt where such revocation specifically provided for by ordinance. (Code 1964 8-6)
